Individuality and Suitability Both Essential

In the perfectly appointed home the decorations should be chosen with a view to not only expressing the individuality of the occupant, but in keeping with the purpose for which the different rooms are intended.

Elaborate elegance may be justified in one instance and simplicity required in another.

It is the recognition of this fact that distinguishes appropriate decoration from a mere ostentatious display.

Let us help you to solve your decorative problems and you will be better pleased with the results.

AVOID SPRING COLDS

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous, and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It is already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.—Adv d-w
